Welcome

It’s warming up! We are thrilled to reach out to you again to share updates on the work you help us do at SwedishAmerican Foundation. We are making progress toward the future and celebrating the first-ever summit of neighborhood associations. Also benefitting our communities, the Foundation was privileged and pleased to support 12 organizations with our inaugural Caring for Our Community Grants. Read on for more information on that! We’ve also helped with some updates and changes within the health system, especially at the Regional Cancer Center. Your donations made a new healing space, Katy’s Place, possible, as well as a new addition to the Meditation Garden with our first Wishing Tree!

Your support enriches the healing environment and makes a huge impact on our patients, employees and community. We owe you a world of gratitude and have something new to share with you to show our appreciation. Our GiftLegacy weekly e-newsletter is now available. Just send an email to Foundation@SwedishAmerican.org and we’ll add you to the list of people enjoying information on personal financial planning, savvy living tips and other news. There’s no catch, no solicitation and no strings attached. Just good information that benefits us all!

Have a great summer, friends, and continue to celebrate all that we accomplish Together!

Best,

Laura

A SIMPLE GIVING OPPORTUNITY

An IRA charitable rollover is a very simple gift to make.

If you are 70½ or older and own a traditional IRA, please consider making an IRA charitable rollover gift. You can make a gift of up to $100,000 from your IRA to charity this year. Your gift to a nonprofit organization like ours will:

• not be included in your taxable income.
• satisfy your required minimum distribution (RMD) for the year.
• reduce your taxable income, even if you do not itemize deductions.
• not be subject to the 50% limitation on charitable gifts.
• help the work of our organization.

An IRA charitable rollover is a very simple gift to make. Please contact us or your IRA administrator for assistance in completing an IRA charitable rollover gift.

DONATIONS OF $5,000 OR GREATER:
Berghorst Foundation
BMO Harris Bank Center
Dr. Michael J. and Jo Ellen Born
Dr. Richard Deming
Florence Gregory Charitable Trust
Illinois Bank & Trust
Mary Ann Elbier Loving Trust
OrthoIllinois

Caring For Our Community Grants Awarded

SwedishAmerican Foundation announced the recipients of the 2017-2018 Caring for our Community Grants at a press conference on Thursday, June 8. Supporting our community isn’t something new for our Foundation; in fact, we have funded local projects and organizations for years. Laura Wilkinson, MBA, CAE, Foundation director, stated, “Now we look to address the root causes of what challenges our neighborhoods face. We care about our community, and we are thrilled to share our good news.”

We received 58 applications and have selected 12 programs for funding that truly encompass our vision and will have a profound effect on our neighborhood and community.

To sum it all up, we have reinvested $149,400 back into our community. Each one of these deserving organizations will make a positive impact on our city.

Transform Rockford received $15,000 for building community capacity to address significant social issues.

Veterans Drop-In Center received $10,000 for its Computer Access and Literacy program.

Prairie State Legal Services, Inc., received $10,000 for its Neighborhood-Based Housing Advocacy and Education program.

The Nursing Alumnae Banquet was held on Saturday, April 29, at Forest Hills Country Club. The event hosted 178 nursing alumnae with a special emphasis on the class of 1967, who celebrated their 50th anniversary. The luncheon was filled with great conversations, delicious food and memorable stories. The nurses also gave a special gift to Dr. Bill and Sue Gorski honoring his retirement in July. Next year’s event is scheduled for Saturday, April 28, 2018. We look forward to celebrating another year of nursing excellence.

Celebrating The Class Of 1967

The Nursing Alumnae Banquet was held on Saturday, April 29, at Forest Hills Country Club. The event hosted 178 nursing alumnae with a special emphasis on the class of 1967, who celebrated their 50th anniversary. The luncheon was filled with great conversations, delicious food and memorable stories. The nurses also gave a special gift to Dr. Bill and Sue Gorski honoring his retirement in July. Next year’s event is scheduled for Saturday, April 28, 2018. We look forward to celebrating another year of nursing excellence.

SCHOLARSHIPS: PHYSICIANS, PRACTITIONERS AND THE FOUNDATION PARTNER TO CHANGE KIDS’ FUTURES

For many years, SwedishAmerican Medical Group (SAMG) has supported a special fund within the Foundation, the SAMG Community Benefit Fund. Through this, we have pooled resources to aid organizations in need throughout the community. A new initiative is supporting scholarships through Rockford Promise, an organization whose vision is to change the community by ensuring the secondary education of its youth. In April, we presented two students with fully funded, two-year scholarships to Rock Valley College. We are thrilled to introduce you to our scholarship recipients, Mr. Uwezo Msambya and Ms. Dayana Rosales, both residents of our neighborhood. Dayana hopes to be a physician assistant someday. Perhaps she will be an addition to SAMG!

THE WISHING TREE

A wishing tree recently was planted in the Meditation Garden at the SwedishAmerican Regional Cancer Center. Its branches offer a place for patients, visitors, and staff to express their wishes and hopes by putting them to paper and hanging them on the tree. This will be a continual symbol of hope, growth and possibility to all who encounter it, and you are welcome to stop by and see it any time. The wishing tree is located in the northeast corner of the garden. What will be your wish?

Have you heard? Swedish American has announced a partnership with Aunt Martha’s Health & Wellness, one of Illinois’ most experienced providers of integrated mental health and primary care services to underserved populations.

What does this mean to you? For one thing, access to quality healthcare for all Rockford residents is critical if we are going to transform into a top-tier community. When Aunt Martha’s conducted an assessment for Rockford, it found that less than 50 percent of the need for medical services was being met. The partnership between SwedishAmerican and Aunt Martha’s will go a long way to bridge that gap.

Sick people must find care somewhere and far too many end up using the emergency room for their primary care support. Being able to divert people from the ER to a source of quality healthcare for all will lead to better health outcomes for the patient and for healthcare will lead to better healthcare for people.

When can we look forward to Aunt Martha’s opening its doors? It won’t be long now. Aunt Martha’s will be welcoming patients this fall to its newest clinic, located on the third floor of SwedishAmerican Hospital.

Mary Ann Eibler was a remarkable woman who lived an ordinary life while accomplishing extraordinary things. She became chief medical technologist at SwedishAmerican in 1953. In 1954, along with Dr. Paul Van Pernis, she established the School of Medical Technology, from which two students graduated that first year. Since then, 398 students have graduated from the school.

Mary Ann and Dr. Van Pernis also worked together to start the Northern Illinois Blood Bank, and later she served on the planning committee for what became The Crusader Clinic.

Mary Ann also donated faithfully to the SwedishAmerican Foundation for 43 years. From her first, modest gift in 1970, to the estate gift given after her death, what started with a sprinkle turned into a soft, steady rain and ended with a flood of generosity.

It is impossible to measure all the good she accomplished—the thousands of patients who benefitted because she gave liberally of her time, her abilities and her resources.

Mary Ann passed away at age 93 on July 4, 2016.

First Annual Neighborhood Summit was a Success

On Thursday, May 18, SwedishAmerican Foundation partnered with Keith Creek to host the first annual Neighborhood Summit. The purpose was to bring together the neighborhood associations surrounding SwedishAmerican’s campus and develop a plan for success that will pave the way to making us the standout neighborhood in Rockford. Our goals were to meet our neighbors, share wins and successes, and develop a strategic plan for each association to take back to their neighborhood associations and put into practice throughout the next five months. Representatives from Keith Creek, Midtown District, Rolling Green, the Community Service Officers and SwedishAmerican Foundation attended the summit.

This group is excited to continue meeting on a biyearly basis, allowing each association a chance to host the summit. The next summit will be held in the fall and feature a speaker from Urban Planner.

The partnership between SwedishAmerican and Aunt Martha’s will go a long way to bridge that gap.

Sick people must find care somewhere—and far too many end up using the emergency room for their primary care support. Being able to divert people from the ER to a source of quality care and to enhance their journey.

This special space has been created for all current cancer patients, survivors and their families and offers holistic and oncology support services.

Holistic Health augments traditional medical care with the addition of services such as Holistic Nurse Consultations, Therapeutic and Neuropathy Massage, Aromatherapy, visits with the Caring Canines, Music and Art Therapy, Support Groups, and much, much more. All services are provided free to help patients on their journey to wellness. Katy’s Place is now a healing stop on that journey.

Recall the journey. Katy’s Place is a source of hope and healing for cancer patients and their loved ones. On June 5, the ribbon was cut and Katy’s Place opened at SwedishAmerican Regional Cancer Center. Katy’s Place is the result of a collaborative effort between Holistic Health Services and the Regional Cancer Center. It is named after Katy Stenberg, a former SwedishAmerican nurse who courageously fought non-Hodgkin’s lymphoma and lived a remarkable 17 years cancer free. Katy developed a bone marrow failure disorder and passed away in August 2016.

The mission of Katy’s Place is to promote the well-being of SwedishAmerican Regional Cancer patients and their families. Its vision is to bring together evidenced-based holistic services to help patients and their families successfully manage the complexities of cancer care and to enhance their journey.
