Caring For Our Community Grants

In the summer 2017 issue of Together, we announced the recipients of the 2017–2018 Caring for Our Community Grants. Twelve grants were given to area nonprofits that work with the homeless, children, youth and seniors and give support to local veterans. Here is a progress report on three of the 12 with more updates to come in later issues of this newsletter.

BOONE COUNTY HABITAT FOR HUMANITY
• $10,000 was awarded to them for this 2017 home build.
• The future home owner will partner with Boone County Habitat for Humanity in constructing and finishing this home.

VETERANS DROPOUT CENTER
• A $10,000 grant was awarded to begin a program for veterans who would like to learn basic computer skills.
• Eight laptops and one projector were purchased, and a Vietnam veteran was brought in to develop and deliver an instruction program.
• So far, five veterans have completed the six-week course “Computers, Literacy, and Learning,” and another three are set to begin that same course.
• Four of the five who completed the first course have begun their second course “Introduction to Windows.”

Rock Valley College provided certificates of achievement to those who completed the first course, and there was a small celebration held in honor of those graduates.

ROCKFORD AREA LUTHERAN MINISTRIES
• A grant of $13,000 was awarded to Rockford Area Lutheran Ministries for its Park Players program.
• Teens from across the stateline come together to grow their conflict resolution and job skills.
• Part of the grant supports 13 teens who, so far, have taught more than 400 Rockford area kids the skill of achieving conflict resolution with peaceful outcomes.

Money awarded to area nonprofits in the form of grants never comes from donations to the Foundation but, rather, from earnings on unrestricted contributions.

SOMETHING NEW IS COMING

On Saturday, March 3, we invite you to join us at Giovanni’s for Swedes’ Night, the party formally known as Cruise! The evening’s theme will be “100 Years of Philanthropy” as we celebrate all that our donors have made possible during the past century. Proceeds from the event will benefit the soon-to-be constructed west-side clinic on Marchesano Drive.

Social Hour begins at 6 p.m. Enjoy a photo booth, our fabulous silent auction, entertainment by Dueling Pianos, and a delectable array of appetizers and main dishes—the likes of which only Giovanni’s can provide! The evening will conclude at 10 p.m.

For more information, or to make a silent auction donation, please call the Foundation at (779) 696-2496.

WHAT ROCKS ROCKFORD...WE DO!

Did you follow the news about “What Rocks Rockford”?

Did you vote for any of your favorite businesses?

Did you keep track of who won first place in the different categories?

Did you notice how many times SwedishAmerican’s name was mentioned?

We sure did! And we are happy to say that SwedishAmerican won first place in the following categories:

• Best Overall Company To Work For
• Most Innovative Workplace
• Family Practitioner: Dr. Tiffanie Ferry
• Prenatal Care: Dr. William Cunningham
• Hospital Hearing Center: SwedishAmerican Brookside Specialty Center
• Cancer Center: SwedishAmerican Regional Cancer Center
• Women’s Health Center: SwedishAmerican Center for Women

SwedishAmerican is a standout organization, wholly dedicated to the health and well-being of everyone it serves. When you give to SwedishAmerican Foundation, you are supporting a strong organization that works hard to support this community. Philanthropy helps create the margin of excellence. When you partner with us, you make everything SwedishAmerican does possible—and that is something that Together we can all be proud of!
WHY I GIVE

Rockford is my hometown, where I live, work and enjoy time with my many friends and family members who also reside here. Although the city has been through some rough times, I am so excited about the positive changes that are occurring due to the transformative work of many who care about this city and the surrounding areas. The SwedishAmerican Foundation continues to play a vital role in caring for the Rockford community and contributes to the revitalization through its generous support of numerous community projects and programs.

As a former caregiver (a nurse in the operating room), I appreciate how the Foundation enables the caring mission of SwedishAmerican by funding programs and initiatives in direct support of the healthcare needs of patients and their families. Oftentimes this allows SwedishAmerican to provide the “extras” that make a difference in the lives of our patients.

It gives me great pleasure to support the meaningful and worthwhile efforts of the SwedishAmerican Foundation and to experience firsthand the difference the Foundation makes for our patients and our community. This is why I give!

How To Make A Difference

THE BELVIDERE NORTH HIGH SCHOOL HONOR SOCIETY

There’s nothing more energizing than a group of young people who have their act together, and the Foundation recently had the pleasure of meeting four such people. Virgil Munyemana, Nicole Brutton, Kyle Johnson and Christopher Winters—all members of the Belvidere North High School Honor Society—came to the Foundation office and presented Laura Wilkinson with a check for $538.78. For the past three years, the Honor Society has held a Pink Out to raise money for breast cancer. Society members work a booth at one of the Belvidere football games selling ribbons, stickers, candles and face painting.

In the past, proceeds from the Pink Out were donated to the Susan G. Komen fund. But this year, Honor Society members felt strongly that the money raised should stay and help people locally. After a conversation with Laura, it was decided that the earnings will be used in Belvidere to help provide mammograms for people who otherwise would not be able to afford them.

On behalf of those who will benefit from the ingenuity and generosity of the Belvidere North High School Honor Society, the Foundation says, “Well done!”

Puttin’ On The Glitz 2017

The third annual Commitment to Caring award was presented to the Rockford IceHogs for its ongoing support of SwedishAmerican and the Rockford community. On the ice, the players thrill local hockey fans with their skill, while off the ice, the team and IceHogs administration continually demonstrate integrity and a sincere commitment to our community with incredible acts of generosity, both of their time and of their resources.

As always, the fashion show was a big hit, while the online silent auction exceeded its goal and raised a total of $9,750. Thank you to everyone who bid!

Thank you for supporting all of SwedishAmerican’s fundraisers
Good Stewards

HOW THE FOUNDATION OVERSEES YOUR DONATIONS

When you give to SwedishAmerican Foundation, can you be confident that your donation stays at SwedishAmerican? Very simply, yes you can.

Donations to the Foundation can be restricted or unrestricted, but either way the dollars are used at SwedishAmerican. Restricted dollars go directly to the area you designate, such as diabetes, cancer, nursing education, pediatrics, heart and stroke, just to name a few. Unrestricted dollars are used where they are needed most. Often, this allows for the purchase of items that are not included in a department’s budget or that are not reimbursed by insurance but are needed in order to provide “excellence in healthcare and compassionate service” as stated in our mission.

Though it also helps fulfill SwedishAmerican’s mission, the money awarded to area nonprofits in the form of grants from the Foundation never comes from donations the Foundation receives. Rather, that money comes from earnings on unrestricted contributions to the Foundation (not from the contributions themselves).

Can you be confident your donation stays at SwedishAmerican? Yes you can. And together we are making SwedishAmerican No. 1 in healthcare for our community.

Thank you!

PUTTIN’ ON THE GLITZ

PUTTIN’ ON THE GLITZ was held on Friday, Nov. 10, 2017, with more than 460 guests in attendance. This year, the money raised directly benefitted SwedishAmerican cancer patients who are in need of extra support on their way to wellness. The proceeds provide funding for various needs such as transportation assistance, nutritional support, help with the purchase of a wig and even help with the cost of some prescription medications.

On June 5, 2017, 16 volunteers completed training as Compassionate Companions for a new program at SwedishAmerican called “No One Dies Alone.” The program, run by Regina Schick and Carol Swenson and supported by Rev. Norm Shirk and Dr. Juliet Kalweit, ensures that those patients who are without family and friends will not be alone at the moment of their deaths. Compassionate care is at the heart of SwedishAmerican, and this program is the epitome of compassion. No One Dies Alone began in Eugene, Oregon, in 2003 and can now be found in hospitals across the country. The Foundation was honored to be able to underwrite the training session, thanks to the generosity of our donors.

Dr. William Cunningham, first place, Prenatal Care
We have wrapped up another fabulous year at SwedishAmerican Foundation, and we are pleased to bring you the 14th edition of our Together newsletter. Through your help and support, we were able to accomplish many good things for our hospital and our community. Inside are updates on some of the community projects we were able to support through Foundation grants. I hope you enjoy reading about these projects because as we continue to invest in our hospital, we know we have to keep investing in our community. With individuals and community-oriented organizations, we can help create a safer, more wholesome neighborhood in which to work and provide care to our patients!

A special message to the Foundation staff: I want to thank and recognize my colleagues at SwedishAmerican Foundation: Deborah, Emily, Jule and Mary. You all work very hard, and I thank you for your dedication to Swedes. I think 2018 is going to be our biggest year yet, so great job and keep it up!

I hope you have a great 2018 blessed with good health and abundant happiness. We look forward to working with you to advance our hospital and our community in the New Year!

Best,

Welcome

Thank You Donors!
