

Tuition and Fees

Certificate track students pay tuition directly to SwedishAmerican Hospital. Tuition payments and any additional online fees are due on the first day of classes for each Phase.

Tuition for the certificate track is \$3,000 per academic year, for a total of \$6,000 over the course of the 21-month program. To be eligible for this track, the student must have a minimum of an Associate Degree before starting the program.

Baccalaureate track students pay tuition directly to the University of St. Francis. Through a tuition sharing agreement, the student does not pay additional tuition to SwedishAmerican. Please contact the University of St. Francis (Stfrancis.edu) in Joliet Illinois for information regarding tuition for the Baccalaureate track.

Book Fees:

The student is responsible for the purchase and cost of required textbooks. Book fees will vary depending on current publisher pricing and instructor textbook selection. Estimated total book costs for both years is approximately \$1800. The most updated edition needs to be purchased.

Other Student Expenses:

Students are responsible for the purchase of uniforms (see Dress Code), school patch for uniform, school supplies, pre-entrance physical examination/vaccinations, criminal background check, educational conference expenses, online clinical record keeping fee, and travel to and from clinical sites. Costs will vary for each item year to year.

Upon acceptance, each student is required to submit a \$250 NON-REFUNDABLE deposit to hold his or her spot in that year's class. Failure to submit this deposit by the stated date will result in a forfeiture of a roster spot.

There is a one-time fee of \$150 for our online clinical attendance/record keeping system, Trajecsys.

Students are required to attend a seminar/conference their senior year. The Student is responsible for any non-funded expenses for the trip which could be the entire cost of the trip. This would include (ALL transportation, hotel, registration, mock registry, food and beverage). Fundraising may be done to help offset these costs.

Financial Aid

Financial assistance is not currently available for the certificate track. Students enrolled through the University of St. Francis would need to contact the financial aid office for eligibility. Eligible veterans may apply for U.S. Department of Veterans Affairs education (GI Bill) benefits while attending.

Refund Policies:

Admission testing fees, acceptance fees, uniforms and book fees are non-refundable.

Baccalaureate track tuition The institutional refund policy describes how tuition will be handled. The federal refund policy determines which portions of Federal Title IV aid need to be returned to the federal programs.

Institutional Refund Policy

For USF students, refunds for withdrawal from the university will be made only after proper withdrawal forms have been completed. The forms are available in the Registrar's Office. Failure to properly notify this office renders the student ineligible for refund. Full tuition is charged unless the student makes a formal withdrawal. The following schedule applies to all USF academic programs. Tuition charges will be computed according to the following schedule:
